

Draft agenda for the 14th meeting of the International TOSSD Task Force Virtual meeting, 8-9 December 2021

Wednesday 8 December 2021

11:30 Introduction and welcome

The co-Chairs will welcome participants and outline the main objectives of the meeting.

11:35 Item 1. Presentation of the OECD report on "Mobilising institutional investors for sustainable development in developing countries: emerging evidence of opportunities and challenges".

The Secretariat will share the main findings of a recent OECD report on "[Mobilising institutional investors for sustainable development in developing countries: emerging evidence of opportunities and challenges](#)". A representative of "PensionDanmark" will be invited to share the experience of the pension fund in collaborating with IFU, the Danish development finance institution, to support the implementation of the SDGs in developing countries while securing attractive investment returns. **Members will be invited to discuss and share ideas on possible follow-up work in the context of TOSSD.**

- *Presentation of the report*
- *Intervention by "PensionDanmark" representative*

12:30 Item 2. Highlights of the Chile Pilot

The Secretariat will provide the main highlights of the Chile pilot as of 8 December, which include the perspective of Chile on the TOSSD Reporting Instructions and on the development of a provider perspective. Preliminary lessons learnt from the data collected from Chile will also be presented. **Members will be invited to react to these highlights** and provide guidance to the Secretariat on possible elements to include as part of the provider perspective in TOSSD.

- *Presentation of the pilot*

13:30 Break

13:45 Item 3. Update on the financing of TOSSD and the Task Force

At the Task Force meeting in March 2021, the Secretariat indicated that it would reach out to individual Task Force members to investigate further the issue of financing of TOSSD, including the possibility for each member to fund the framework, the possible level of their financing, their funding processes and timetable, etc. An update was provided on the progress made regarding these bilateral calls at the Task Force meeting in June 2021. The Secretariat will report on the various meetings held with members so far and present the new financing options based on these calls. Task Force members will be **invited to update the Task Force on the possibility for them to finance TOSSD** and provide any views on the scenarii presented during the meeting. The perspective of South-South co-operation providers, recipient countries and multilateral institutions will be particularly sought during this session.

- *Paper on summary on bilateral calls and budget*
- *Presentation: financing options, including by types of stakeholders and by income groups*

15:00 Meeting adjourns

Thursday 9 December 2021

11:30 Item 4. Update on data collection

The Secretariat will provide an update on the on-going TOSSD data collection, including data received so far on Pillar I (deadline for reporting = 31 July) and Pillar II (deadline for reporting = 1 October), and key findings emerging from the processing of these data conducted by the Secretariat.

The second round of TOSSD data collection builds on last year's experience, and seeks to expand the coverage of the data to more respondents and more resources. **Task Force members will be invited to share their experience in reporting**, e.g. in using the materials shared by the Secretariat (solicitation letter, reporting form, explanatory notes) or in streamlining their CRS and TOSSD reporting. Task Force members who have not yet reported will be invited to indicate expected dates for sharing their data.

- *Presentation: update on the data collection process*

12:00 Item 5. Presentation of the Health pilot

The general objective of the TOSSD health pilot was to test the current TOSSD methodology for tracking the global financing for health, and explore how it can be shaped to best respond to the international community's emerging information needs, including those of developing countries. Given the multiple issues addressed in the pilot, the findings will be presented in two sessions, one at the December meeting and one at the following meeting. **Members will be invited to react to the findings** and provide guidance to the Secretariat on their preferred options for further refining the TOSSD methodology.

- *Paper: draft long summary of the pilot*
- *Presentation of the pilot*

13:00 Break

13:10 Item 6. Presentation of the Brazilian COBRADI report 2019-2020

The Institute for Applied Economic Research (Ipea) of Brazil will make a presentation of the 2019-2020 "COBRADI Report", which is the official report on the Brazilian co-operation provided to other developing countries (South-South bilateral and trilateral co-operation). **Task Force members will be invited to reflect on the report and provide guidance on how to further incentivise reporting to TOSSD by South-South Co-operation providers.**

- *Presentation of the report*

14:10 Item 7. Highlights of the Data Pilot

The Secretariat will provide the main highlights of the data pilot, which aims to compare TOSSD data with data contained in Public Financial Management systems of three countries: Bangladesh, Cameroon and Colombia. The pilot also aims to identify possible options for data verification by recipient countries. The session will consist of a presentation and short interventions by the countries involved. **Members will be invited to react and provide guidance to the Secretariat on possible implications of this pilot in the context of the TOSSD methodology and the data collection process.**

- *Presentation of the pilot*
